

Dear Patient,

The Two Twelve Surgery Center, LLC is a physician-owned, state-of-the-art outpatient multi-specialty surgery center.

We take great pride in being a physician-owned surgery center with the goal of making every patient visit a positive experience. Our physicians, nurses, health care professionals, and administration are all actively involved in the operational decision-making to ensure that you receive the utmost in quality care and personalized service.

We strive to maintain the highest standards for patient care. Anesthesia services are provided by Ridgeview Anesthesia Associates. Our Anesthesiologists also practice at Ridgeview Medical Center in Waconia. The Two Twelve Surgery Center is licensed by the Minnesota Department of Health and is Medicare certified.

Through the teamwork of our physicians and staff, the Two Twelve Surgery Center will do everything possible to make your surgical experience a positive one!

We look forward to exceeding your expectations and providing you with an outstanding surgical experience!

The Physicians and Staff of the Two Twelve Surgery Center

Additionally,

- **Please schedule a History and Physical Exam with your primary care provider** as soon as possible. This appointment **must be within 30 days of your scheduled surgery. The Surgery Center recommends that the physical examination is to be completed prior to the day before surgery to allow time for processing of tests.** They must **fax a copy of the exam to us at 952-456-7901.** Please give the following form to your provider at the History and Physical Exam:
 - Two Twelve Surgery Center History and Physical Requirements
 - Two Twelve Surgery Center Pre-Surgical History and Physical Form
- **A Registered Nurse will contact you prior to surgery** to provide instructions, answer your questions, review your medical history, and verify that we have received and cleared your History and Physical Exam and any required labs or tests. An arrival time will be communicated during this call. **If your surgery is less than 24 hours away and you have not received a call from our RN staff, please call us at (952) 456-7902.**
- **Arrange to have a responsible adult (must be 18 years or older)** drive you home and stay with you for 24 hours after surgery, if you are having anesthesia. You will not be allowed to take a cab, walk, or drive home without a responsible adult.
- **Patients under the age of 18 are required to have a parent/guardian stay within the suite at all times, one parent/guardian will be required to wear an identification bracelet.**
